Great People, Great Results.

You Can Use!

A Publication for clients of Tomlinson Bomberger Lawn Care & Landscape, Inc. | 717-399-1991 | www.tbll.com Editor: Beth Tomlinson

Don't Let PESTS Spoil Your Day

Most folks won't think twice about seeing an ant in their yard, but when that ant crosses the threshold, it becomes an unwanted, uninvited guest.

Tomlinson Bomberger has designed a convenient **Four Season Pest**

Control Program that utilizes effective, advanced technologies to reduce the likelihood of an indoor pest infestation.

Hate pests? Let Tomlinson Bomberger help protect your home with a cost-effective control strategy that works 24/7 to give you the peace of mind you deserve. We utilize the most advanced materials, inside and out, including termite monitors, tamper-resistant rodent bait stations, specialized insect baits, monitoring devices, pheromone traps, and whatever it takes to get the job done. Even if it means making a return trip between the regular seasonal visits, you are covered: no additional or hidden charges.

Got ants? Mice? Voles? Termites? Boxelder Bugs? Stink Bugs? Yellow Jackets? Fleas? Ticks? Why hesitate? Call your friends at Tomlinson Bomberger today to find out more about the **Four Season Pest Control Program**. Think of the peace of mind you can accomplish with just one call!

THINK GREEN: APRIL IS NATIONAL LAWN CARE MONTH

A healthy lawn (50-foot by 50-foot) produces enough oxygen for a family of four, and significantly increases your property value.

"Benny the Blade"

Tomlinson Bomberger walks to fight against Arthritis!

On Saturday May 5th at 9:00am, Tomlinson Bomberger co-workers, families, and friends will lace up their sneakers, and walk to support those within our community that suffer from this debilitating disease. This year's event is being held at Overlook Park, located at 2040 Lititz Pike, Lancaster PA 17601.

Please help us support the Arthritis Foundation by making a secure online donation, or by joining our team! Visit www.arthritis.org for more details:

1. Click on "Arthritis Walk"
2. Click on "form or join a team"
3. Under "find a walk near you" chose PA
4. Click on "Arthritis Walk Lancaster". On the right side of this screen, you will see "team rank". Click on "see more", then choose Tomlinson Bomberger. From here, you can join our team, or click on the "donation tab".

DID YOU KNOW?

There are nearly 300,000 children in America with some form of Arthritis or rheumatic disease. There are 8.4 million young adults between the ages of 18 and 44 who have arthritis, and millions of others at risk for developing it.

**BY WALKING TODAY, YOU MAY HELP OTHER CHILDREN,
PERHAPS EVEN YOUR OWN, WALK TOMORROW!**

Plant Health Care **PHC**

The pests that affect the health and appearance of your landscape are managed in an environmentally sensitive manner by Tomlinson Bomberger. Our new Plant Health Care Program utilizes trained and state-licensed technicians to care for your trees, shrubs and groundcovers. They will diagnose and recommend improved cultural care needed to maintain your landscape. Your peace of mind is as important to us as the proper treatments at the correct time. Here are some of the features and benefits you will enjoy with our PHC program. Call today, 399-1991, to include this value-added service to your landscape care.

FEATURE	BENEFIT
Trained and licensed technicians	Your will have peace-of-mind that you are receiving qualified, professional care for your landscape.
Careful inspections	Our expertise combined with timely visits will remove worry about pests affecting your landscape.
Diagnosis of problems in the landscape, and cautious use of treatment options	We implement numerous options in improving the health and appearance of your landscape so that you can rest assured that you receive expert care.
Written reports after each visit that include our observations and recommendations	Written documentation of our efforts provides a continuing record of the care you receive.
Plants are treated only when infested, infected or prone to be affected by pests	Our conscientious attitude combined with the judicious use of materials is an environmentally responsible service so you don't need to worry.
Recommendations for cultural improvements like plant replacements	We share our expertise with you so that you spend less time learning about and researching issues regarding your landscape.
Advice on proper watering	We will advise you on the most critical aspect of landscape care & watering, so that your participation in having a healthy landscape is optimized.
Recommendations for proper pruning practices	When you use our Certified Arborists for your pruning needs, you can rest assured that your valuable trees and shrubs will be pruned properly.
Proper fertilization is included	Fertilization of your landscape trees and shrubs at the proper dose will contribute to the health and vigor of your plants.
